The Trust library is located on the first floor of the Medical School Building. It can be accessed by hospital swipe card 24 hours a day. You can also find out about all the Library services on the Library website <http://swft.wordpress.ptfs-europe.co.uk/>

Catalogue

We have a catalogue of all books and other items in the library. Go to *Trust Intranet>Resource>Library>Library Catalogue* if you are on site; <https://war.koha-ptfs.co.uk/> from non-trust computers.

Books and Borrowing

We have a wide selection of books covering medicine, nursing, child health, pharmacology and management. You may borrow a maximum of eight items at any one time for four weeks. We can post items via internal mail to community staff and those who would find it difficult to access/visit the library.

Ordering books and Reservations

If we don't have the book you need, we will often be able to buy it. Please contact the library staff. We can also buy book on booklists if you are studying for a degree or other courses. If the book is in stock but on loan you can reserve it.

Journals

There is a large range of range of online journals available to all staff and students through the **library website**. You will need an NHS Athens username and password to access these. The library has a small collection of print journals.

Request Services

If a journal article is not available online or in the Library, you can apply to get a photocopy through our Interlibrary Loans Service. Article requests take between 3-5 working days to fulfil. Books not eligible for purchase (limited use or expensive items) can be borrowed. Book requests can take longer to supply than articles. There are charges for these services.
